

TECHNICAL CARD

Ceiling spotlight luminaire

Pursuant to the provisions of the WEEE Act, it is forbidden to put waste equipment marked with the symbol of a crossed out bin together with other waste. The user, wishing to get rid of electronic and electrical equipment, is obliged to return it to a waste equipment collection point. There are no hazardous components in the equipment that have a particularly negative impact on the environment and human health.

WARRANTY 2 YEARS

The body of the lamp is made of aluminum - a light and durable metal that is not subject to corrosion. The surface of the case is covered with matte paint with a sandy texture, resistant to small scratches. Depending on the type of lamps used, this lamp can be used both for general lighting of rooms and for accent lighting of individual zones in the interior.
