

## TECHNICAL CARD

Surface mounting box single white

IP20

The VIDEX BINERA surface mounting box single white (VF-BNMB1-W) is designed for installing a single electrical component on the surface of a wall. This product is useful when recessed installation is impractical, such as in concrete or brick walls. The box is made of polycarbonate, which provides high impact resistance. The IP20 protection class allows the box to be used only in dry indoor environments.
