

TECHNICAL CARD

Blind cover white

Pursuant to the provisions of the WEEE Act, it is forbidden to put waste equipment marked with the symbol of a crossed out bin together with other waste. The user, wishing to get rid of electronic and electrical equipment, is obliged to return it to a waste equipment collection point. There are no hazardous components in the equipment that have a particularly negative impact on the environment and human health.

IP20

Blind cover VIDEX BINERA (VF-BNC-W) is designed to close unused spaces in electrical frames, protecting them from dust and damage. Additionally, installing this product provides a neat and finished look to the interior. Made of polycarbonate, polyamide, steel, and iron, the cover is resistant to mechanical impacts and suitable for long-term use. The product has an integrated mounting type.
