

TECHNICAL CARD

Facade double-sided luminaire

IP54

WARRANTY 3 YEARS

General parameters

Light source replaceable	end user
---------------------------------	----------

Electrical parameters

Rated voltage, frequency	AC 220-240 V, 50/60 Hz
---------------------------------	------------------------

Input interface	Terminal block
------------------------	----------------

Additional information

Place of installation	Wall
------------------------------	------

Place of application	outdoor
-----------------------------	---------

Housing colour	Black
-----------------------	-------

Operating temperature range	-20° +40°C
------------------------------------	------------

Ingress protection	IP54
---------------------------	------

Housing material	Aluminum
-------------------------	----------

Dimensions

EAN	4820246480840
------------	---------------

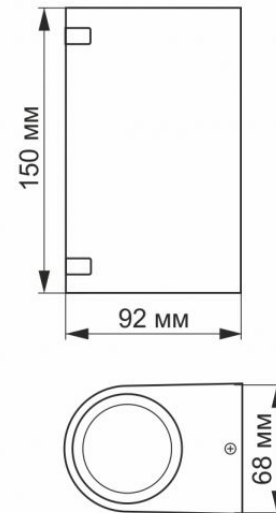

Height	150 mm
---------------	--------

Width	68 mm
--------------	-------

Depth	92 mm
--------------	-------

Outer box	20 pcs.
------------------	---------
