

TECHNICAL CARD

Facade luminaire

Pursuant to the provisions of the WEEE Act, it is forbidden to put waste equipment marked with the symbol of a crossed out bin together with other waste. The user, wishing to get rid of electronic and electrical equipment, is obliged to return it to a waste equipment collection point. There are no hazardous components in the equipment that have a particularly negative impact on the environment and human health.

WARRANTY 3 YEARS

General parameters

Light source replaceable	end user
--------------------------	----------

Electrical parameters

Rated voltage, frequency	AC 220-240 V, 50/60 Hz
--------------------------	------------------------

Input interface	Terminal block
-----------------	----------------

Electric shock protection class	I
---------------------------------	---

Additional information

Place of installation	Wall
-----------------------	------

Place of application	outdoor
----------------------	---------

Impact protection	IK07
-------------------	------

Housing colour	Gray
----------------	------

Operating temperature range	-20° +50°C
-----------------------------	------------

Ingress protection	IP54
--------------------	------

Housing material	Aluminum
------------------	----------

Dimensions

EAN	4820246480819
-----	---------------

Height	81 mm
--------	-------

Depth	92 mm
-------	-------

Width	68 mm
-------	-------

Outer box	20 pcs.
