

## TECHNICAL CARD

Spot track luminaire

# VIDEX®

IK07

Free

IP20

## WARRANTY 2 YEARS

The body of the lamp is made of aluminum - a light and durable metal that is not subject to corrosion. The surface of the case is covered with matte paint with a sandy texture, resistant to small scratches. Depending on the type of lamps used, this lamp can be used both for general lighting of rooms and for accent lighting of individual zones in the interior.

### General parameters

<b>Light source replaceable</b>	end user
